Club Lottery – It Could Be YOU!!!!

**Did you know that as a Club we run a weekly lottery draw?
Do you fancy the chance to win £1,000?**

As a Club we make a lottery draw for 20 weeks during the season and the cost to enter is only £1 per week!
There are 19 x £25 weekly draws and
1 x end of season draw for **£1,000**

Each paying member is awarded a permanent number that is entered into the weekly draw. Winners are then contacted by the Lottery Co-ordinator, Eric Barnes and promptly paid.

There are currently 150 lottery members and there are some **numbers available**. This is an important source of income for our club and is an opportunity for our Junior Players Parents to support us.

The process is simple!

Just hand your **£20** payment and details (name, address and contact telephone number) to your Team Manager **BEFORE 4TH MAY** (date of first draw)

We look forward to hearing from you.

GOOD LUCK!!!
